- ★ Recover from COVID-19 safely and get our economy going.
- ★ Oppose and veto any effort that increases property taxes and/or seeks to raise the millage rate.
- ★ Keep our neighborhoods and schools safe.
- ★ Eliminate cronyism and “pay to play” culture that has corrupted contracts, such as Miami International Airport.
- ★ Govern with integrity by keeping the promises made to our residents.
- ★ Work with the State and Federal partners to address water quality issues; and put forth a serious transit expansion plan.
